

Antique Butter Mold Bed

A fine double end cannonball bed with a very nice floral carved butter mold block. The high headboard is topped with a heavily figured tiger maple roll. This bed will take a full mattress on slats as is. Another option is to have us use each end to make a pair of full size beds. The side rails have been extended. Birch, Tiger Maple and Pine

Item: B-52
Post Hgt. 52"
Rail Hgt. 25"
Headboard Hgt. 29 - 55"
